ABOUT THE DOWNTOWN EDGE SCHOLARSHIP

In memory of Adam Edge, the Georgia Downtown Association (GDA) will annually provide matching scholarships to deserving downtown professionals to cover the costs for qualified training opportunities. The Downtown Edge Scholarship was established to support the participation of downtown development professionals in national and statewide training opportunities. Adam served as a GDA board member and downtown development professional of the highest quality. He was known for his commitment to growing as a leader and building strong friendships with fellow professionals. Engaging in professional development opportunities helps honor his legacy and adds a leadership edge to professionals' ongoing work in downtowns.
